

Technische Fiche: HLP03M041P

# FTTH Pigtail LC 50/ 125µm OM3 1m 4pcs.

Easy Strip, colored according to IEC 60304, CLASSIC

## Technische gegevens

|                                |                               |
|--------------------------------|-------------------------------|
| Breedte (mm)                   | 120,00                        |
| Hoogte (mm)                    | 15,00                         |
| Nettogewicht (kg)              | 0,12                          |
| Productnormen                  | IEC 61300-3-4 / IEC 61300-3-6 |
| Type vezels                    | 50/125µm OM3 multimode        |
| Kabelmantel                    | LS0H                          |
| Insertion loss typical (dB)    | ≤0,25                         |
| Return loss typical (dB)       | ≥30                           |
| Golflengte (nm)                | 850                           |
| Omgevingstemperatuur min. (°C) | -40                           |
| Omgevingstemperatuur max. (°C) | 75                            |

| Omschrijving                                                                                 | Referentie |
