

Technische Fiche: IS210424--

# Overspanningsafleider coaxkabel F-connector 75Ohm

## Technische gegevens

|                                 |        |
|---------------------------------|--------|
| Productgroep                    | Vartec |
| Afleiderklasse                  | TIII/D |
| Max. continue spanning AC (VAC) | 48     |
| Max. continue spanning DC (V)   | 60     |
| Nominale afleiderstroom (kA)    | 5      |

| Omschrijving                                      | Referentie |
|---------------------------------------------------|------------|
| Overspanningsafleider coaxkabel F-connector 75Ohm | IS210424   |
