

Technische Fiche: LID14336--

# Cano-R COB LED 50W 230V 4000K 4000lm

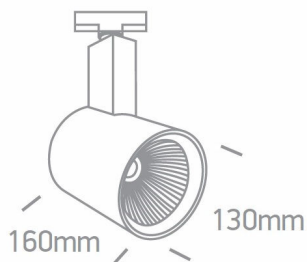

## 36° IP20 wit

3F track spot, inclusief driver

### Technische gegevens

|                              |             |
|------------------------------|-------------|
| Bevestiging                  | Verdeelrail |
| Kleur                        | Wit         |
| Materiaal                    | Aluminium   |
| Leverancier                  | One Light   |
| Stralingshoek (°)            | 36          |
| Nominale werkspanning AC (V) | 230         |
| Lichtbron/ Lamp              | COB LED     |
| Vermogen (W)                 | 50          |
| Lichtkleur                   | Koudwit     |
| Kleurtemperatuur (K)         | 4000        |
| Kleurweergave-index (Ra)     | ≥80         |
| Lichtstroom (lm)             | 4000        |
| Dimbaar                      | Neen        |
| Beschermingsklasse           | I           |
| Beschermingsgraad            | IP20        |
