

Technische Fiche: LID17775--

# Linear Track 1 LED 16W 1600lm CCT CRI90 100-240V 110° wit

IP20, 3000K-4000K-5000K; 09 TRACK LIGHTS

## Productinformatie

CCT Variable LED Linear track light ideal for shops and showrooms. Complete with non-dimmable driver. Complies with standard EN60598-1 and any other specific standards.

## Technische gegevens

|                              |                             |
|------------------------------|-----------------------------|
| Netto lengte (mm)            | 650,00                      |
| Breedte (mm)                 | 30,00                       |
| Hoogte (mm)                  | 30,00                       |
| Type verlichting             | Verlichting met railadapter |
| Bevestiging                  | Verdeelrailmontage          |
| Afwerking                    | Wit                         |
| Uitvoering                   | PC<br>Aluminium             |
| Afdekkingen                  | Polycarbonaat opaal         |
| Stralingshoek (°)            | 110                         |
| Voedingen                    | LED Driver                  |
| Nominale werkspanning AC (V) | 100-240                     |
| Ingangsspanning AC (V)       | 100-240                     |

## Technische gegevens - vervolg

|                          |                                   |
|--------------------------|-----------------------------------|
| Bedrijfsstroom mA (mA)   | 400                               |
| Primaire stroom (A)      | 0,40                              |
| Lampvoet                 | LED                               |
| Lichtrendement (lm/W)    | 100                               |
| Vermogen (W)             | 16                                |
| Lichtkleur               | Koudwit<br>Warmwit<br>Neutraalwit |
| Kleurtemperatuur (K)     | 5000<br>4000<br>3000              |
| Kleurweergave-index (Ra) | ≥90                               |
| Lichtstroom (lm)         | 1600                              |
| Regelen lichtintensiteit | Nee                               |
| Beschermingsklasse       | I                                 |
| Beschermingsgraad        | IP20                              |
| Diameter (mm)            | 68                                |
| LxBxH (mm)               | 650x30x30                         |
